'74 CLASS THEME

He Ain't Heavy, He's My Brother

The road is long,
with many a winding turn,
that leads us to who knows where,
who knows where.

But I'm strong, strong enough to carry him;-
He ain't heavy, he's my brother.-

So on we go;-his welfare is my concern.-
No burden is he to bear, we'll get there.-

For I know he would never weigh me down;-
He ain't heavy, he's my brother.-

If I'm troubled at all,
I'm troubled by sadness,
that everyone's heart isn't filled,
with the gladness of love for one another.
It's a long, long road,
from which there is no return.-
While we're on our way to there,
why not share?

And the load doesn't weigh me down at all;-
He ain't heavy, he's my brother.-
He's my brother,-
Yes, he's my brother.

DEDICATION

We, the class of 1974, wish to dedicate our yearbook to Mr. Fredderick Martin, Administrative Assistant to the Principal, Mr. Charles A. Stewart, our English teacher and Director of The Good News Singers, and Mr. Willie Young, our School Within A School Guidance Counselor, for their concern, understanding, and tireless devotion to their students. They have helped us develop a constructive and positive attitude toward life. For all of these reasons, this Senior Class honors them in this yearbook of seventy-four.

FACULTY

Graduation is the beginning of many ventures into the world for you, our graduates. Being on your own will be a great challange to you, but because of the guidance of your parents, teachers, and Our Lord, you will be prepared to assume the responsibilities and vicissitudes that will confront you. Without faith and courage you wouldn't be able to accept the challenge.

Your future will be one of dignity, honor, usefulness, and a large degree of human happiness if you are dedicated to the proposition that individual success and social responsibility can and should go together—and that you are truly your brother's keeper.

GOOD LUCK, SUCCESS AND HAPPINESS!

ARIES

Aries is the leading sign of the zodiac. It's symbol is the "RAM", "Leader of the flock." You have a lively mind and warm heart in a sturdy body. Your innate urge to leadership make you ambitious to be first in everything., number one...top of the heap...and fortunately you have the intellect, spirit and drive to realize that ambition. Like the RAM, you will butt through any number of obstacles to get what and where you want to.

TAURUS

Taurus's symbol is the "BULL:" solid, strong, unyielding. The key word for Taurus is solidity. Taureans prefer to wait cool, calm, sure of themselves and attract the things they want out of life, rather than chase after them. You are steadfast, careful, patient, loyal, and self-reliant...you stand on your own two feet. You also tend to be silent and reflective, but when you do say something you mean what you say. You do not give your friendship easily, you have the charm and attraction of the strong, silent type.

VIRGO

The symbol of the Virgo stands for purity, innocence and freshness of a new beginning. You are likely to have the clear eyed look of a child and keep it all your life. You see things as they are not as others pretend they are. You are quite capable of finding things out for yourself. People sometimes refer to you as the Virgin, this does not mean that you don't know love or how to give it.

SCORPIO

Scorpio's symbol is a "SCORPION". You are absolutely fearless and nerveless. You fear nothing and nobody at any time. Scorpions have strong beliefs and will fight for them or die for them. Your ambitions are high and will move heaven and earth to achieve them. Scorpios are intense, dynamic, purposeful, and have a forseeing ability to lay your plans years ahead of whatever you aim at. Once you have set your course, nothing or nobody can make you stray from it.

Sagittarius's symbol is commonly called the "ARCHER," but it is usually pictured as a centaur. You are capable of great brilliance and daring. You tend to speak your mind with great independence and can, at times, be too blunt. Sagittarians are uncompromising in their love of freedom and grant the same right to others. You are almost always happy, talkative, and affectionate.

PISCES

The Piscean symbol is two "FISH". Pisceans have a character as boundless, bottomless and ever changing as the ocean. At any given time you may be serene or strong, warm or cold, delightful or dangerous, and even when your surface is calm and still, there may be undercurrents boiling within you. As the saying goes, "Still water runs deep," there are few people who can say they truly know you. One extra strong point of yours is that you are devoted to the one you love.

In Memoriam - Mr. Sol Gleicher

Sol Gleicher

Those of us who worked daily with Sol Gleicher knew him as a hard-nosed uncompromising, compassionate man of high ideals. He abhorred facade and dishonesty. His ascerbic wit complemented his erudition and analytic mind.

Yet we too often forgot that Sol Gleicher was not only that man we knew daily at school, but he was a decorated war hero who led his infantry Nisei company through the worst of the Second World War. He spent 1½ years in a prisoner of war camp.

Sol Gleicher was a man who never stopped fighting for what he believed. As an educator he was controversial, yet he did not espouse difficult causes for the sake of controversy. His devotion to the preservation of the democratic system was manifested in his commitment to the youth of our city without thought of personal sacrifice. He inspired all whom he taught to live by the ideals which governed his own life.

He was a man we were proud to know, for each of us, teacher and student alike, learned from Sol Gleicher. No danger exists that he will be forgotten, for a part of him will forever reside in each of us who knew him.

LAST WILL AND TESTAMENT

We, the proud and together Class of 1974, do hereby pronounce this to be our Last Will and Testament. Those mentioned, think about what is being said and then dig yourself!!!

To our President, Thelma McCloud, we say "manga" Thelma, "manga." To our Vice-President, Spanky Collins, we leave the Man of the Year Award. To our Recording Secretary, Verneathea Minnigan, we leave Mr. Johnson. To our Financial Secretary, Renee Fraizer, we leave all you can eat. To our Treasurer, Sharon Daids, we leave clothes that powder does not show through.

To Walter Jenkins, a pick and bath. To Audrey Dismuke and Elenor Smith, containers of Bleach and Glow. To Norman Boone, one way ticket to Mars. To Roslyn Gibbons, money to buy false teeth. To Lucinda Williams, we leave Lori Scott for the rest of your life. To Rosita Parramore, 'Money'. To Barry Thomas, Ayds Candy for a diet. To Deborah Moody, a shape that is not out of control and a natural Afro. To Greg Bryant, maturity. To Benita Kennedy, a cheerleading clinic where you can learn to do a straight cartwheel. To James Drew, life time supply of M.D. 20-20. To Spring Hill, a pair of triple decker platforms. To John Gibbons, a tree full of bananas to go with your looks. To LaVern Denard, The Mark Eden Chest Plan. To Sam Jones, everyone's business.

To Roy Graves, a new haircut, because your old one is out of style. To Marilyn Wilson, a head full of your own hair so that you do not have to pin your Afro puffs to your scalp! To Tyrone Minter, a natural Fro. To Tony Hughes, a new wardrobe. To Brenda Corbett, a loose fitting pair of pants and some friends. To Bunny Robinson and Rob Jefferson, diplomas. To Vanessa Hodges, a lie that is straight. To Herb Johnson, we leave Sharon Daids. To Patricia Copes, unspoiledness. To John Chambers, time taken out to dig yourself. To Olivia Conic and Price Lewis, straight teeth. To Cephus Ray, something you do not know. To Alfreda Wingate, your honey from Weequahic. To Sam Johnson, a book of good jokes. To the Dupree Sisters, Pam and Pat, straight legs. To Linda Boswell, intelligence. To Sandy Cox, more legs. To James Andrews, we leave P.D. To Lorraine Cook, some weight. To Edna Sanders, your body caught up with your chest. To Daryl Thomas, a piece of the action. To Rosemary Teal, ways to catch J.G.

To Donna Gaston, a year's supply of Clearesil. To Rita Rice, a behind kicking. To Hattie McFadden, rear end reducing pills. To Addie Williams and Evelyn Jones, soap and water. To the teachers, we leave less gossip. To Mr. Ransome, a megaphone. To Mr. Genuario, a built-in footlocker with a fool proof lock. To Mr. W.J. Young, the Best Counselor of the Year Award. To the Cafeteria Staff, a visit from the Board of Health. To the Librarians, signs reading 'Keep Quiet' for themselves. To the Band, continuing success. To the Twirling Squad, we leave the old strut. To the Cheerleading Squad, perfect attendance. To Mrs. Curtis, a real you. To Mrs. McDuffie, the Principal's job. To Lori Scott, a day without an argument; and finally, to the Class of 1975, we leave many ways to encounter success and togetherness.

ATHLETICS

FOOTBALL

The year 1973 closed on a very disappointing season for our mighty Bulldogs. It was one of the biggest and most experienced teams Coach Del Guercio has had in his twenty-five years of coaching, but owing to a series of major injuries that included Virgil Smith, Wade Seay, Walter Jenkins and John Gibbons we just could not get it together. Good Luck next season Coach Del Guercio and Coach Reynolds from the Seniors of "74". Let's win one for the "Gipper"!

BASKETBALL

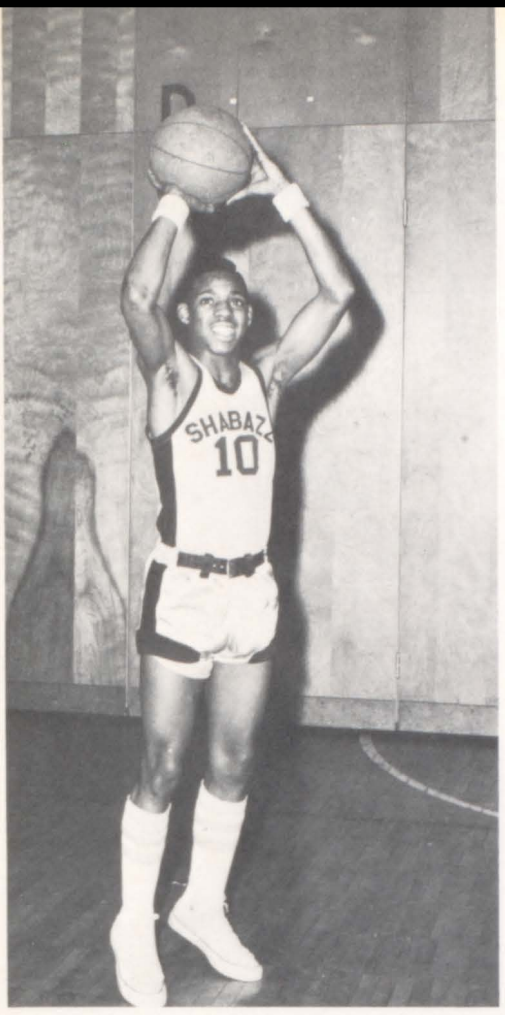

Our mighty bulldogs coach by first year men Autrey Reynolds and his Assistant Coach, Thomas Bulger, finished a successful season at 8 wins and 10 losses. These two young coaches taught both Varsity and J.V. how to live and play together and how to give 110% for the team. This was the story of the season, with this attitude exemplified by coach and team, winning big victories was in the making.

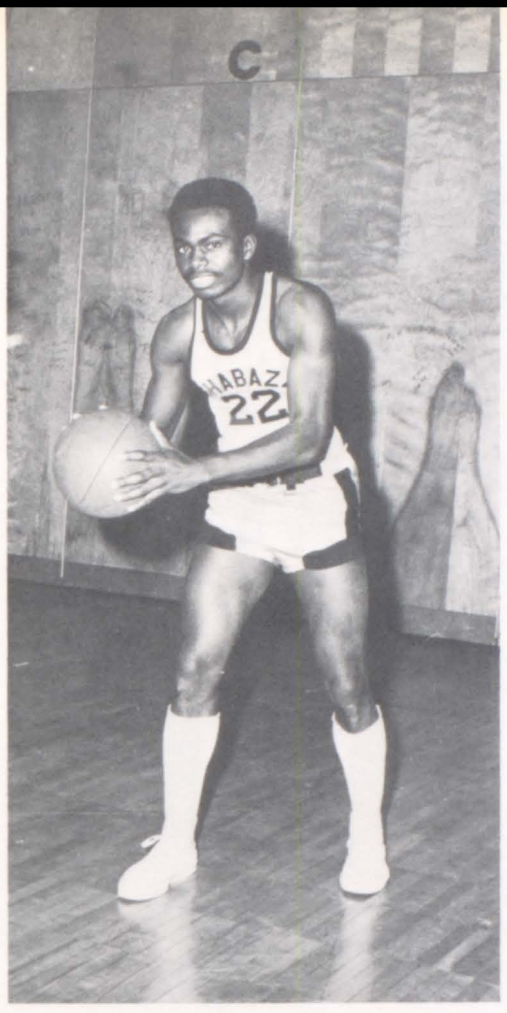

We knocked off top rate teams such as Clifford J. Scott, East Side [Newark], Barringer, West Side and Vailsburg with ease. We went down to the wire with Central, Weequahic and East Orange. Six good ballplayers will be leaving, and we honor them; Capts. Sam Johnson and Willie Marsh, Barry Armstrong, Morris Walker, Nate Simmons and Maurice Stewart. They will be hard to replace, but no doubt about it, our J. V.'s will come through.

May the Philosophies Expressed
Below Guide Each Graduate in the
Search for Self Fulfillment.

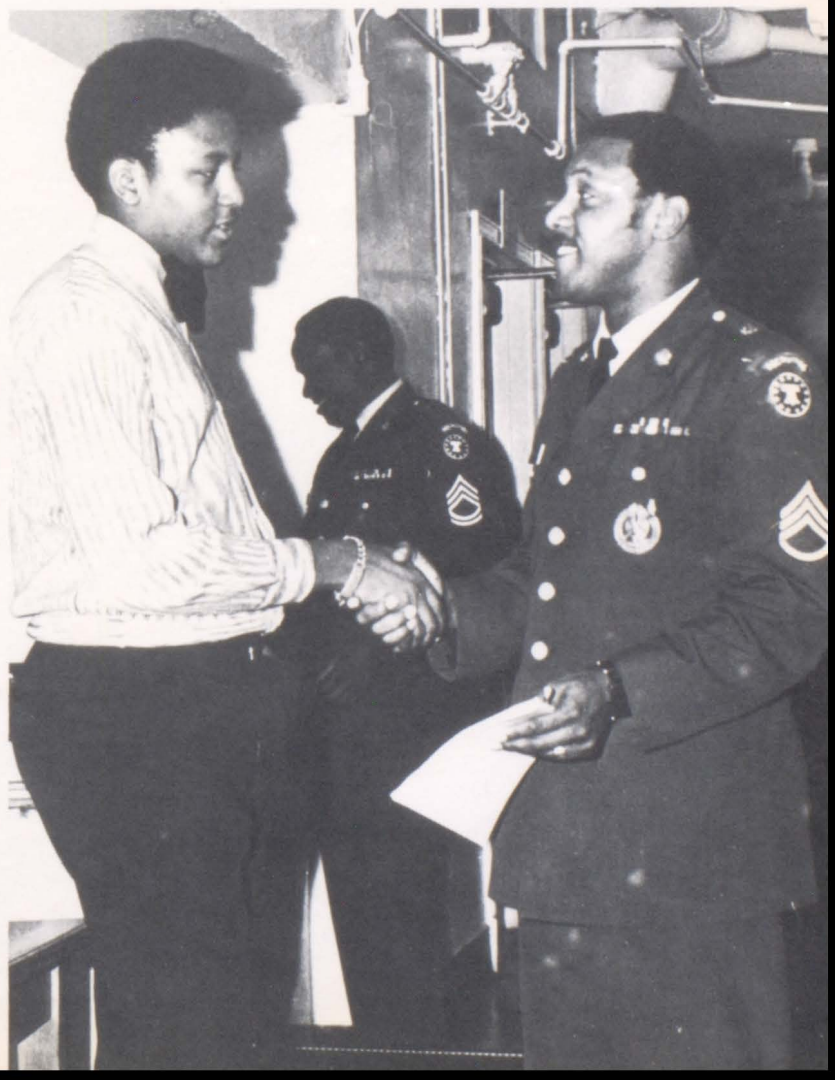

"It has often been quoted, 'There is a time to sow, and a time to reap, a time to laugh, and time to weep, a time to love and a time to die.' In the dying, for every living thing must, there is a process of growing. Trees grow, flowers grow, animals grow, why is it then that man stops growing when he reaches a certain age. He has the potential to grow right up to the time that he 'shuffles off this mortal coil!' Yet, quite often, he does not! Why is this? When all he has to do is reach for a book, open its pages and READ. From the pages of that book, and all subsequent books, he is sent whirling into the crucible which can forge for his later years tempered molds of circumspection, love, compassion, understanding of his fellow man, yea, and perhaps even wisdom! None other of God's creations can do that! And perhaps equally important is that in molding his own spirit he can reach out his hand and take a friend along with him. Is there any greater gift?"
